

Progress Report: Dr. Khaliil Website

Date Thursday, 13 February 2025 / 14 Sha'ban 1446 AH

Project Overview

The Dr. Khaliil website is being developed to provide an organized platform for sharing his works, including lessons, lectures, books, and fatwas. The website structure includes multiple sections aimed at improving accessibility and user experience.

Progress Summary

Completed Sections:

- Biography – Fully completed and integrated.
- Lessons – Four lessons have been added and structured.
- Lectures – The section is fully developed and functional.
- Contact – Fully completed and operational.

Ongoing Work:

- Authored Works – Development started today, with initial content being structured and uploaded.

Pending Sections:

- Books – Yet to be started.
- Fatwas – Pending development.
- Courses – Pending development.
- Donate – Yet to be implemented.

Next Steps

1. Complete Authored Works Section – Continue adding and organizing content.
2. Develop Books and Fatwas Sections – Structure and populate with relevant content.
3. Implement Courses Section – Define course structure and content layout.
4. Integrate Donate Feature – Set up donation functionality with secure payment methods.

Challenges & Recommendations

- Content Gathering: Some sections require more content to be fully functional.
- Recommendation: Coordinate with Dr. Khaliil or his team for necessary materials.

Conclusion

Significant progress has been made on the website, with multiple sections completed and the 'Authored Works' section in development. The remaining sections will be built in the next phases, with a focus on content completion and functionality enhancements.
